I hereby authorise the above mentioned child to join the library as a Member and provide a guarantee for his/her library use. If the Member does not fulfil his/her obligations towards the library, I take responsibility to fulfil them in accordance with the library rules.

I accept the joint Terms of Use of the PTE University Library and the Csorba Győző Library that is available in both libraries and on the libraries' websites.

I have understood that

- failure to meet the loan deadline, i.e. failure to return the borrowed document by the deadline, will result in a fee being charged, regardless of whether the Library requests this obligation in writing or by any other means,
- if the total debt owed to the Library for any reason reaches HUF 2.000, i.e. two thousand forints, the Library is entitled to limit the use of library services until the debt is recovered,
- if I fail to pay a library debt, the Library is entitled to enforce its claims by legal means, in particular by means of notarial non-contentious proceedings and order for payment procedures.

In the event of loss or damage to the Library's documents, I undertake to replace the damaged or lost document with an identical or more recent copy, or to reimburse the value of the collection together with any other costs incurred, in particular those related to the replacement.

I declare that I have read and understood the library's Privacy Policy. I acknowledge that the use of my personal details in this guarantee statement (name, birth details, mother's maiden name, address) is based on legal requirements and authorisation. I provide explicit and voluntary consent for the use of all my further personal details provided at the time of the registration.

I will notify the Library of any changes to my personal information as soon as possible and I accept that the Library is not liable for damages arising from my failure to notify.
